

# Pocketbook Party

*"Women giving to Women"*

Sunday, September 24, 2023  
11:00AM – 3:00PM  
Center Street Brewing Company  
24 Wallace Avenue, Wallingford

The Sisters' Project is proud to carry on the tradition set by Susan Nisson of coordinating the donation of pocketbooks filled with basic necessities to women in need.

We are asking you to search your closet for gently used pocketbooks\* and fill them with NEW and UNUSED necessities for women such as hairbrush, tissues, toothpaste, toothbrush, hair ties, lotion, hand sanitizer, shampoo, conditioner, feminine products, hats, gloves, wallets, jewelry or gift cards.

We will be outside Center Street Brewing Company for convenient drop-off. The Brewery will be open for you to enjoy their quality craft beer and raffle items will also be available.

The Sisters' Project will distribute the pocketbooks to various establishments that support women.

\*If you don't have a gently used pocketbook you are welcome to bring new and unused personal items to help fill the pocketbooks.
